Hi! I am writing this letter to let you know about some upcoming changes in my life and how you can partner with me in these new ministry opportunities. I recently left the YWAM base (Youth With A Mission) in Mazatlán after serving in Mexico for the past 7½ years. I have been so blessed and have learned so much over this time. Mexico will always have a part of my heart and I know I will look back on this season of my life with such gratefulness! Over the past year, I have been seeking God about what this next season of my life would contain. I was in the Philippines on outreach in October/November 2013, when the earthquake and super typhoon devastated the islands. During my time of service there, my heart was deeply drawn to the Filipino people and I strangely felt very much “at home” from the very start. Over the following weeks, I could not ignore the compelling desire growing within me to make my home in the Philippines. Through much prayer and soul-searching, I strongly felt God calling me to return to the Philippines later this year to work with the YWAM base in Cebu City.

To prepare for this change, I will be getting more YWAM training so that I can be more effective in my ministry role. I will be taking YWAM’s on-location Bible Core Course (BCC) in Lausanne, Switzerland in April. This 3 month intensive course will provide advanced training in teaching, discipleship, and leadership. We will travel to Egypt, Israel, Turkey, Greece and Italy to minister to the people of these nations, while studying the Bible where it was written, making the Bible come alive in fresh, exciting ways. God has really grown my heart for the world, nations, and cultures and I look forward to experiencing these new cultures and showing God’s love to the people of these nations!

I would like to ask you to prayerfully consider partnering with me in this adventure, primarily in prayer, but also financially. I need to raise an additional \$6,000 USD by April 1st. I am looking for 60 people to support me with \$100 each, although any amount would be a huge blessing! I have included a ministry support team card that best explains the easiest ways to send your support and contact me. All gifts are tax deductible and you will receive a receipt. Thank you so much for considering supporting me in this ministry experience. I will be glad to answer any questions you have or give you any further information you request.

Thank you and God bless,

Cassandra Cavin
