HOLA!!!! September 3, 2012

¿Cómo están? How was your summer? I'm sorry that I didn't write last month but I'll make up for it now!

### MINNESOTA

For most of the month of August, I was home visiting family and friends. I forgot how busy Minnesota summers can be but I had a lot of fun! After finishing DTS and working in the kitchen for a few weeks with several teams coming through the base, I was ready to go home and have some relax time. I also worked on raising more support this year and I got at least 3/4 of the way there! It was very encouraging getting to meet so many of you and hearing what you've been up to and also

Nursing Home Ministry

getting to share my vision and what God has been doing in my life.

### STAFF RETREAT

Right after getting back here to Mazatlan, the whole base went on our annual staff retreat. This year we had our YWAM regional directors, Rick and Karen Allegretto, come and share with us about how to be a family and love each other. It was so good because that's exactly what God's been speaking to me about lately! It really was a great time to learn and play together and grow as a family!

### WHAT'S NEXT

In this next season, I will be setting up things for the January DTS, as I will be leading it again next year. I am also taking on a new role for the next couple of months ... I will

be co-leading the kitchen! I will be cooking and helping out to get things organized and ordered. I am excited to work in the kitchen again and get to help out in an area that is so fundamental and necessary to everyone's well being and happiness

### PRAYER REQUESTS

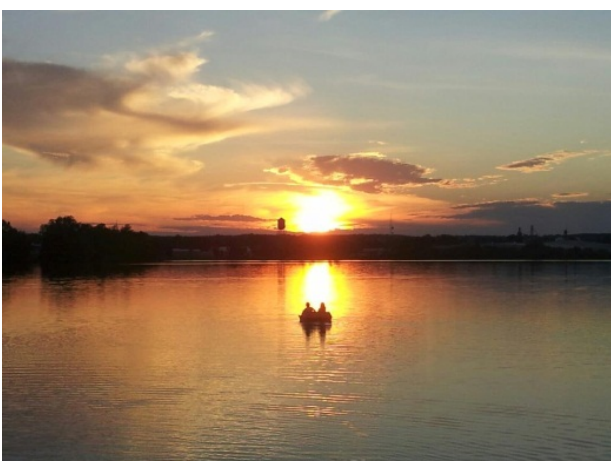

- \* for deeper relationships with the other staff on the base
- \* for vision and wisdom as I set up speakers and schedules for the Jan DTS

Thank you all for all of your love and support! Write me! I love hearing from you all too!
